Best-in-Class Science and Unparallelled RWD: A Powerhouse Partnership

Evidera | PPD
Industry-leading RWE expertise and advanced scientific capabilities

275+
Years of experience analyzing complex EMR/claims data

450+
Drug approvals supported in the past 5 years

900+
Oncology studies conducted

Operating across
100+
Countries worldwide

Working with
350+
Pharma & biotech companies

2,700+
Clinical trials over the last 5 years, informed by RWD/E

ConcertAI
One of the world's largest real-world oncology datasets

8M+
Unique patients, with 4.5 years average follow-up

1,900+
Clinical sites across all 50 US states

165k+
Clinical data elements captured

50+
Tumor types

Linkage
to claims and SDOH

Custom Cohorts
with rich data

Evidera | PPD

Evidera | PPD + ConcertAI : A Powerhouse Partnership

- Expert **multi-disciplinary** team
- Robust, **proven methodologies**
- **In-depth understanding** of nuanced data

- Synergistic partnership
- **Hands-on experience** with data
- **Streamlined processes** and time to data access

- Consultative approach to ensure **relevant output**
- Advanced **data science** and machine learning
- **Customized** outputs

Confidence

Efficiency

Innovation

✓ **Fit-for-purpose** Design

✓ **Quicker** Time-to-data

✓ **Rigorous, Robust, Relevant** Analyses

✓ **Tailored** Outputs

✓ **Rapid** Study Delivery

✓ Confidence in **Study Acceptance**
